CELEI
EDUCACIÓN INTERNACIONAL

Celei is a leader in international education with more than 30 years of experience in designing and implementing University and High School, Study Abroad programs, as well as Professional trainings and Foundation Courses to enter Spanish Universities.

Our institutional philosophy encompasses a strong commitment to our participants; Developing their intercultural awareness and understanding; promoting Experiential Learning and enhancing their ability to function effectively in an intercultural environment.

We have our own team of qualified education designers, experts in intercultural communication and Language teachers. CELEI in association with the University of Granada scholars and other Higher Education Institutions provides specific university courses and seminars in a wide range of subjects.
Granada is a university city, rich in culture and history, regarded as one of the most beautiful cities in the world. Amongst its many cultural gems it boasts the beautiful Alhambra and Generalife palaces (both UNESCO World Heritage sites) and a wealth of other monuments such as the Cathedral and the Royal Chapel. Granada is known for its maze of narrow winding streets, so characteristic of the traditional neighborhoods of the Albaicín and Sacromonte that take visitors deep into the history of the city.

Granada is without a doubt your best choice of location to study abroad if you want to live an unforgettable experience. The city enjoys a uniquely privileged position, being situated between the Sierra Nevada Mountain range and the Mediterranean Sea. Together, Granada and its University, offer limitless possibilities for leisure, tourism, culture and sport. The people of this safe, welcoming city make foreign students instantly feel at home.
PROGRAM SITES

1-SCHOOL
CELEI is located in a “Carmen”, a traditional house with garden, surrounded by the 11th century Arab wall in the Albayzín. This neighborhood, retains the narrow winding streets of its medieval Moorish past. It was declared a World Heritage site in 1984, along with its famous Alhambra Palace.

2-UNIVERSITY OF GRANADA
The University of Granada has over 60,000 students. Currently offers 75 degree qualifications in its 28 centers. The Post-Graduate School offers 68 Master Programs, 116 Doctorates and 113 complementary courses. There are 2 University Campuses in Granada, as well as, “Campus Centro” which encompasses all the different faculties and centers spread out over the historical part of the city. The University’s policy of recovering, maintaining and restoring buildings with historical and cultural importance has helped enriching its heritage. In connection with the defense of traditional elements, the new Technological Health Science Park is a real investment in innovation. Still in development, it helps interaction with technology–based, health and biological businesses and boosts biomedical knowledge and the quality of healthcare. Celei collaborates with the UGR in numerous projects and has the opportunity of sharing some of its fantastic infrastructure.
