+ EXPERIENTIAL WORKSHOPS
CELEI Regenerative Education in Granada, Spain, is a leader in International Education, with more than 35 years of experience in designing and implementing Study Abroad programs with partners such as World Learning, Lesley University or Berkeley Carroll School.

Our institutional philosophy encompasses a strong commitment to our team and participants. Studying with us is a deep immersion into a community with g-local professionals who are seriously committed to playing their role in making this world a better place.

Our interdisciplinary team works hard to provide experiences and seminars in a wide range of topics such as environmental restoration, emotional intelligence, critical thinking, social justice, interculturality, cultural heritage and sense of community.

We promote Experiential Learning to develop participants’ critical thinking, awareness and understanding, enhancing their ability to effectively function in an intercultural environment.

CELEI Regenerative Education offers comprehensive and flexible programs, at affordable prices, for academic semester, short term and faculty-led customized programs. We provide specialized academic content as well as quality infrastructure and logistics.
